Zac rated it liked it Jan 12, From Vol.

PsychologyandAlchemyCollectedWorksofC.Thebasicmanualwhereeverther
Store Name. I'm very disappointed with the the way the text is
laid out and the quality of the paper, I didn't expect
something fancy but someone could have at least taken the time
to make sure the text was readable and not so far down in the
gutter that I have to almost break the binding to get at it.
