The Encyclopedia of Superstitions : Richard Webster :

The Encyclopedia of Superstitions includes more than five
hundred of the most fascinating superstitions I've found over
the last forty years. You'll discover how.

Eric rated it liked it Apr 26, Inside, open umbrellas hung
from the ceiling and there were displays of spilled salt and
broken mirrors.

At one time it was believed that adders were deaf because they lack ears.
Trivia About The Encyclopedia The runner won the race wearing
a certain pair of shoes, so now has to wear them in every race
from now on. It was believed that the crops of people who wore
agate were more abundant than those of people who did not wear
it. No trivia or quizzes. Even though I am not a superstitious
person at all except regards theater this was a very
entertaining book.
