Fifteen years removed from a mass genocide that resulted in the deaths of nearly one million people, Rwanda today presents a model for hope, justice, innovation and human development. Books by Margee M. ImagesEssays. At one local gathering to organize the genocidal campaign, those who arrived without a machete or other killing instrument were berated by the Interahamwe, a Hutu paramilitary group. Some international observers underplay these achievements, emphasising the role of foreign aid in the country's success.

These personal essays range from sympathetic descriptions of village life to receives Sierra Leonean president 4h. Just a moment while we sign you in to your Goodreads account.
