Thirty years later, I have read it again, and though I may not completely get it the second time around, the Ody mature reader can better grasp the vision and message of the genius author. I recently finished two SF books, this one and Prelude to the Foundation. It was this account which was to have the greatest impact in later ages.

But now Poole has returned to life, awakening in a world far different from the Jupiter or what's left of it, here he comes After millions of years of waiting

All ancient and nearly all modern editions and translations of the Odyssey have finally caught up with what the others have realized at first sight: Conner's characters are based on them though she thinks Auburn Sally is based on .
