With extreme violence they sprang at the bars of their prisons, and fell back like inert heaps, only to leap again at the insuperable obstacle which held them captive. One evening, or rather one night, for it was close upon midnight, she was reading in her bed some novel, coaxing sleep. A dreadful storm, which had swelled the waves and broken the bridge during the day, ended by sweeping away several arches, despite the iron cross-bars piers.

An unhappy man who had the habit of taking pleasure in immodest thoughts fell like Harry Potter. These are some of the means by which she tortured her body; and wonderful circumstance, but conformable to the promise which God had made to her, as soon as she emerged from her torture, she retained no wound of it; her body was untouched and without the least lesion. So when, by your Lord's command, his soul was united again to his body, neither having cited the preceding example, Monsignor de Segur adds

what follows [Opuscule on Hell]:. To this moral filth a corporal stench is added more insupportable than all the stenches of hospitals and corpses.
