Yet there is a paradox. What better proof that we care only about merit? Amin the driver was doing the same with one of the villagers, who were illiterate one and all.

This was a training flight for him, the last one; he would soon be fully certified.

How quickly would we convince ourselves of our absolute entitlement to the riches that flow directly and tangibly from our shuffling talent? But I ended with the personal, which I think is what ultimately motivates people to action.

Here researches, teaches, and consults on issues of collaboration, organizational new insights with a focus on the fundamentals of team effectiveness identified by organizational-behavior pioneer J.
