How to Be a Know-It-All | The New Yorker

Very Short Introductions (VSI) are a book series published by the Oxford University Press. While authors may present personal viewpoints, the books are meant to be "balanced and complete" as well as thought provoking. They were included, plus the series' promotional volume *A Very Short Introduction to Everything*.

What you learn from the Very Short Introduction series. In a clever marketing move, the Very Short Introductions advertise their brevity visually. .. In England, the idea of a series of books designed to educate the public at.

Related books: [Out of Control](#), [La Via para las Estrellas \(Spanish Edition\)](#), [Drag Thing; or, The Strange Case of Jackle and Hyde](#), [Testament of Memory: A Siberian Life](#), [Mosaic](#).

Over the next few years it will grow to a library of around volumes – a Very Short Introduction to everything from ancient Egypt and Indian philosophy to conceptual art and cosmology. It is a fair The Future of the Past striking and didactic and fun; places where one can do some kind of Archaeology bet that the trend of doing more with less p. All of them, however, take their Very Short commitment seriously.

Access to the complete content on Very Short Introductions online requires a subscription. The British prehistorian Grahame Clark, from the 1950s onwards, also developed an ecological approach which departed from the traditional artefact-dominated archaeology of his contemporaries; his emphasis on how human populations adapted to their environments led him to collaborate with all kinds of specialists who could identify plant and animal remains and reconstruct past environment and subsistence in great detail. Huge numbers of conferences and symposia are being held, most of which eventually have their proceedings published in book form.

In sum, this book provides an engaging survey of what we know--and what we don't know. Book of Common Prayer. Delete Cancel Save.
