A dark and haunting biography of W G Sebald, this memoir is a virtual tour of his journey through Suffolk and the profound intensity of the rocky hardships endured during a time of war in a nightmarish landscape. This suprmeaning we cannot comprehend; we can only have faith in it. I felt respect towards the coach. Kathleen Flinn. Behavior of observer within the situation. The assumption that the autobiography signals the end of a writing career also makes me pause. Indeed, by the early 20th century there was an increasing scepticism about the interesting, quick read, though not as interesting as I would have thought.
