VisiteBay'spageoninternationaltrade.Ratingdetails. To sum up Montesquieu as best I can, I say that he was a man not terribly original, not astoundingly brilliant, not wonderfully eloquent; he was, rather, a man eminently sensible, a man widely learned, and a man with enough independence of mind and diligence of thought to put together here, with all its flaws and infelicities, what is in fact a monumental summation of Enlightenment political thought. I love you.
