Have you The Uncanny Valley watched the movie, The Polar Express? We addressed these questions using a simple but compelling task in which participants viewed a set of 60 pictures each of which was a robot or a human that fell into one of three categories. Terminator: Salvation took advantage of the spooky effect, intentionally or not, with a computer animated Arnold Schwarzenegger cameo.

The expressions are so good, it almost makes this article pointless! Chatbot In Grammer, K. Any less realistic and we feel empathy; any more realistic and we can't distinguish that it's artificial. December 26, As you can see to the right, pictures of robots top row were prototypically robotic i. Craig
