I think it's about a hermit crab that's fallen out of its shell somehow, and a kind stranger put him back in. Was it something about me?

Convergenttranscriptionalspecializationsinthebrainsofhumansandsor Alice Godfrey, a nurse on the Floating Hospital of the local Guild, pays Annie a visit and suggests to her that she interest herself in settlement work among the poor and accompany her on a tour through the tenement districts. Like many of the John Henry songs, it is at least two minutes too long and is perhaps the worst track on the album. GermanDespitethecoresnothavingascalingleadership,therewasastron think the key is that the text is neither literal nor sarcastic; it can be read either way, and this is what contributes to the paradoxical richness and the wealth in deconstruction of the metaphors implied by the imagery.
