One idea is that there was more competition for food, and they had to travel farther. Pudding Lane Primary, as explained in the first story, is the proud owner of a pet ostrich, Iris aka Mad Iris. RelatedSearches.GetACopy. You can always rely on Philip Ardagh to add humour and this rollicking story has some very good jokes as well as appealing characters. Award-winning artists and tutors, Meriel Thurstan and Rosie Martin, explain simple colour theory in an easy-to-understand language. With its heady mix of glamour and grit, and a cast of characters who run the gamut from smart, self-aware cynics to easily led-astrays, this is a seriously addictive read.

Wonderfulengravingsandinterestingtext.The author also tells a little about the history of the space program: Kennedy's call to put a man on the moon, John Glenn's orbit and how he insisted that Katherine Johnson double-check the mechanical computer's calculationsand the moon landing. As my style of illustration changed, she changed .
